>> About Ethics and Compliance

About Ethics

The Office of Ethics and Compliance is available to help answer your questions and address your concerns regarding Ethics and Compliance at BellSouth.

Although the Office of Ethics and Compliance was established to assist BellSouth employees, we are also available to other stakeholders who may have questions about Ethics and Compliance.

One of our top priorities is to create an environment where you can feel supported and protected when you are faced with ethical situations. Our staff members are experienced and well-trained, and will help you resolve your situation, confidentially and appropriately.

Contacting the BellSouth Office of Ethics and Compliance is a safe, confidential way to ask questions, voice concerns, clarify gray areas, or report a suspected violation.

The Role of the Office of Ethics and Compliance is to provide:

- Leadership for ethics activities
- Ensure activities fit entities' needs
- A safety valve for employees

The Role of the Employee is to:

- Make ethics a part of your everyday job
- Be a role model
- Help others to make the right decisions
- Ask, if you don't know the answer!

Information regarding how to contact our office and what happens when you contact our office can be viewed by clicking the "What's It All About" button on the left.
